

TOTAL ENVIRONMENTAL MANAGEMENT

SALE OF AVANTI ENVIRONMENTAL TO SRCL LIMITED (PART OF STERICYCLE INC)

Consideration: **£Not disclosed**
Client: **Shareholders of Avanti Environmental Group**

Avanti Environmental Group is one of the UK's largest independent environmental management companies. Avanti works directly with its customers to examine and map all waste types and using their extensive technical knowledge and experience develops targeted solutions to suit their customers' requirements including recycling, reprocessing and treatment. This provides an innovative balance to the demands of sustainability coupled with cost effective environmental management solutions.

Langtons Corporate Finance acted as lead advisers to the Shareholders of the Avanti Environmental Group. Langtons worked closely with the vendors throughout the sale process, assisting with identifying the opportunity for sale to the potential acquirer, negotiating the terms of the sale, and providing support throughout the due diligence and legal process.

Paul Kinley, Managing Director of Avanti Environmental said "This is seen as a tremendous opportunity to grow the Avanti brand under the direction of SRCL Limited. The combination of Avanti and SRCL represents a truly sector leading Total Environmental Solution service in the UK, Europe and Asia".
