## DEVELOPMENT CAPITAL FOR ALBION LEGAL SERVICES

**Funds advanced:** ~ £650k  
**Client:** Merseyside Special Investment Fund

Albion Legal Services offers bespoke insurance schemes to solicitors specialising in employment and health and safety law. The schemes enable solicitors to offer their clients insurance cover for the cost of their fees and any tribunal awards.

The recently completed £650k funding package included £350k from Merseyside Special Investment Fund and directors' own investment. It is the second time that the company has been backed by MSIF.

The company, established in 2001 by directors Mike White, Barry Davidson, and Mike Turner, has a UK-wide customer base and includes some of the country's leading employment law practices. The £650k funding package will be used as development capital to grow the business and significantly increase the number of practices offering this product.

Langtons acted for Merseyside Special Investment Fund undertaking Financial Due Diligence on the company in respect of the funding package.
