Funds advanced: ~ £4m
Client: The Royal Bank of
Scotland/Merseyside Special
Investment Fund

Jade Communications is one of the UK's leading systems integration companies. The business specialises in the provision of end-to-end network solutions, operating within the areas of wireless and hand-held solutions, LAN, deployment services and structured cabling. The company operates across a wide range of industries including education, finance, government, healthcare, hospitality, logistics and retail. A fast-growing, high profile customer base includes names such as Debenhams, Gist, Homebase, HSBC, Manchester Metropolitan University, Marks and Spencer, McDonald's and Tesco.

Langtons acted for Merseyside Special Investment Fund and The Royal Bank of Scotland in respect of a £4m funding package provided to Jade, undertaking Financial Due Diligence on the company.

MD Mark Brackley, said: "The backing is a tremendous boost for the business and we are delighted to be relocating to Merseyside. The investment and the new appointments to the team mean we can now continue to develop our customer base and range of products and services."
