

SALE OF ACADEMY SUPPLY AGENCY LTD AND ACADEMY SOCIAL CARE LTD TO PUBLIC RECRUITMENT GROUP PLC

Consideration: £4.7m

**Client: Shareholders of Academy Supply Agency and
Academy Social Care**

Academy Supply Agency and Academy Social Care were fast growing businesses providing temporary teachers and social workers to the public and private sector from offices in Liverpool, Manchester and Leeds.

Langtons Corporate Finance acted as lead advisers to the Shareholders of both Academy Supply Agency and Academy Social Care, assisting in the Negotiation of the sale, providing Tax Planning advice with regard to the structure of the transaction and working closely with management and the legal advisers to implement the deal.

The sale of the business and the speed with which the transaction was completed was greatly assisted by the work previously undertaken by the Langtons Systems Solutions department in implementing robust management information systems, thereby facilitating informed management decision making as well as the ease of provision of critical performance analysis at the time of the sale.
